She was only ill for a couple of days and despite having turned 15 last month, it is unthinkable that she could be taken from us so suddenly. Cocoa was one of our true treasures - she was such a gentle girl.

- Cocoa "danced" her way into our hearts along with her daughter Tarndrew Watch My Style (Dani) in 1997. She was the last of the famous Kairouban Australian Kelpie line and the last of the original dogs with whom our kennel was established.

i have so many vivid memorie When she first came to live with us I remember her circling the house with Dani before coming back to us as if to say "We've enjoyed our visit but would like to go home now"! Of course she stayed and created such an impact with our Australian Kelpies.

| stayed and created such an impact with our Australian Kelpies.

| stayed and created such an impact with our Australian Kelpies. how much she loved to practice "synchronised swimming" with her sister Ch. Kairbouban Waters' Sprite (Hailea). The two of them would spend hours in the dams practicing their "moves".
or /> I also remember how she was with her puppies. It was like watching a lioness with her cubs - she was so proud of them.

br />

 dre importantly, I will remember how she would greet me every afternoon when I came home from work. She would always make her way up the drive way, tail wagging; and last thing at night she would follow me to bed and lie on her mattress next to my bed.

 There will be a great gap now that the last of the originals have gone. I just hope that they have all now found peace.

 June 25th
 Birthday celebrations again for June!

 This time Watersedge is celebrating the birthday of our 2nd Finnish Lapphund litter - born to Ch. Theldaroy Wild Wild Ways (Chey) and sired by Grand Ch. Watersedge Alias Aleksi (IID) (Aleksi).

br />

This litter heralded the first time that creams had been born in Australia. What made it so unique was the fact that there was only 1 black & tan in the litter! All of the rest were "polar bears".

Happy 3rd birthday wishes to Ch. Watersedge Sno Storm (Kustaa), Ch. Watersedge Sno White (Miia), Ch. Watersedge Sno White (Miia), Ch. Watersedge Sno White (Miia), Ch. /> The Queen's Birthday weekend has been very fruitful for Watersedge Kennels.

 As an adjunct to the other successes from the weekend, Watersedge Sno Lily (Lylli) has now gained the final few points for her Australian Championship title. Lylli has followed closely on the heels of her litter sister Ch. Watersedge Tiger Lily (Heidi) with this achievement.

br />

Lylli was once again handled admirably to this award by her "partner" Olivia Wong of Elkana Kennels.

 For the icing on the cake, Olivia was again partnered by Lylli for second place from a very large field in the Senior age group of Child Handlers.

 Grand Ch. Watersedge Alias Aleksi (IID) (Aleksi) was also given consideration for the Best in Group award, along with complimentary comments from the international judge, who has recently visited Scandinavia.

Well if we had a good day yesterday, today continues with good news.

- our Winter Carnival weekend with International judges has been very rewarding also for Watersedge Unique Design (Ziggy), our two-tone Australian Kelpie owned by Corinne Chandler. At 8 months of age he has been awarded the Dog Challenge over many of our well known interstate and local Australian Kelpie exhibitors.
