February 27th

Good news from Ric Foote, Findol Finnish Lapphunds, for the Finnish Lapphund community in WA.

[Watersedge Tru Magic \(IID\)](#) (Zana) is expecting a litter of puppies at Easter. She is from Australia's first imported in dam litter from [Ch. Fidelis Haltiatar \(imp FIN\)](#) (Taru). This is a bit of deja vu as Zana was born on Good Friday herself. The father of this litter is Janoby All About Arvo (Zeke).

We are expecting this litter to be of similar calibre to the recent litter [\(photos\)](#) between [Grand Ch. Watersedge Alias Aleks \(IID\)](#) (Aleksi) and [Ch. Janoby All About Aura](#) (Roara), itself a collaboration between Watersedge and Janoby Kennels. Zana is Aleks's sister and Zeke is Roara's brother.

More good news also from NSW with [Watersedge Sno Drift](#) (Toska) owned by Sue and Gerard Burnside of Miavig Kennels. Toska has been awarded Minor Puppy in Group.

Well done Toska - Woo Hoo! Toska is a puppy from the mating between Aleks and Roara.

Good news from Victoria as well - [Watersedge Secret Agent](#) (Larry) has obtained his first

substantial Best of Breed at the age of 8 months. Larry's show career started with a bang when he was awarded 3 consecutive Baby in Group prizes.

Larry is owned by Wayne and Sue Sharp of Janoby Kennels and is also a puppy from the litter between Aleksis and Roara.

Many Happy Returns to the Birthday Girl - [Ch. Janoby All About Aura](#) (Roara)!

Miss Roars Paws has been our houseguest for just on 12 months and we have been delighted to have her! Thanks again to Wayne & Sue Sharp of Janoby Kennels for allowing Roara to spend the year with us.

Roara gave birth to 7 bouncing baby Finnish Lapphunds in June 2009.

Valentines Day has been and gone - we have updated photos of "our little Sweethearts". The latest Australian Kelpie litter from [Ch. Engleforest Jarrah](#) (Jarrah) x [Watersedge Diamantina](#) (Tina) in the [gallery](#)

. Introducing the boys - Barcoo and Cooper; and the girls - Condamine, Comet, Maronoa, Saxby and Tully.

Unfortunately Tina is a bit camera shy. When it is possible to catch a couple of good photos of her she will have her own webpage.

Happy Birthday to my beautiful Finnish Lapphund [Ch. Fidelis Haltiatar \(imp FIN\)](#) (Taru)!

Taru is my most gorgeous girl. It is hard to believe that she has been with me almost 5 years

now as it seems like only yesterday that she arrived with her precious cargo on board.

We are looking forward to a litter of puppies from Taru sometime this year or early next.
